

BEFORE you make your Good Move...

...CHECK the following:

- Confirm your move date and any specific instructions with GoodMove
- Dispose of anything you don't want (try the free ads columns in your local paper if you want to sell things, or give them to local charity shops)
- Inform your gas, electricity, water companies, so that meters can be read
- Tell your bank and credit card companies of your new address
- Tell your building society and insurance companies about the move date
- Inform telephone/mobile phone/Internet subscription companies
- Notify doctor, dentist, children's schools, newsagents etc.
- Ask Post Office to re-route your mail
- Tell TV Licence, DVLA, Passport Office, Child Benefit Agency
- Prepare your change of address cards
- Visit your new home to plan room layouts and measure up for curtains and carpets
- Arrange help with looking after children and pets on the day

Helpful hints for a Good Move on the day!

- Point out to the removal team any items requiring special treatment
- Prepare an essentials bag with snacks and a flask of tea/coffee
- Have washing machine and tumble dryer disconnected
- Leave chests of drawers full unless furniture is going into storage
- Label packing boxes with room name where you wish them to go in new home
- Make a rough plan of where things should go in your new home
- Label keys for your old home to help the new owners
